

UPTIME ACTION!

NO TIME FOR DOWN-TIME

MUST ORDER UPTIME BEFORE DECEMBER 1ST !!!

- Take advantage of this program this fall in order to ensure your machine is ready to perform as it should all season long.
- Complete 120 point evaluation, valuable tips on proper maintenance, and a detailed report on all issues found in need of repair.
- Uptimes range from only \$350 for Spinner Rigs to \$500 for Air Flows and Sprayers which entail a complete hydrostatic test.
- Schedule requested service WITHIN 30 DAYS of uptime for 10% off all parts! Cash customers will receive a full 13% off needed parts.
- Parts only orders without service will receive a 5% discount.
- Use CNH Capital card and take advantage of great terms and programs.
- Is your machine under warranty? Then there is never a better time to order an Uptime. All work deemed necessary and covered under warranty will be automatically scheduled. This has saved our customers thousands on fixing issues BEFORE the warranty expires. Schedule Uptime today!
